The CLASS OF 1940

THE FIRST "CENTURY CLASS"

This year's senior class can be proud of the fact that it has reached the goal that so many classes have been attempting, that of being the first century class of David Lipscomb College. It must be understood that only by the labors and cooperation of every student has this been made possible. As a freshman class it supplied leaders in every phase of student life. This year has proved only to strengthen this leadership.

The freshman class is by far the largest class in the history of the school and shows possibilities of becoming one of the most outstanding classes ever to attend Lipscomb. Therefore it is with confidence that we, the seniors of '39, leave our places to you, the seniors of '40.

DAILY CHAPEL

Chapel at ten! Unchanged through the years. At the call of the midmorning bell students and teachers alike promptly left their day's work to assemble in Harding Hall to worship.

Robert G. Neil waved his efficient baton and glorious hymns of praise were caught up by half-a-thousand young voices. Then followed brief prayers and readings from the Book—simple devotions that do more to unify, to give tone and character to Lipscomb life than any other single activity.

In the period following, speeches were often given by faculty members and visitors. Not to be forgotten were the numerous announcements.

donated lot the congregation expects to build in the near future a separate building to be located on the campus. Largely responsible for this building project is R. S. King, leading elder of the church, who can be identified by the thoughtful sermonettes he often gives near the end of the services.

The semi-annual meetings were conducted this year by our own J. P. Sanders in the fall and in the spring by J. N. Armstrong, head of the Bible department at Harding College.

CHURCH

The ringing of the old bell in Brewer Tower summoned students and neighboring friends to Harding Hall for Lord's Day worship and Thursday evening prayer meeting, conducted by Charles R. Brewer who has been minister of the church for four years.

We shall always remember A. C. Pullias, Old Testament instructor, shown with a portion of a freshman Bible class, and J. P. Sanders, New Testament instructor. Mr. Pullias' versatile black-board check marks that illustrate any given point and Mr. Sanders' inexhaustible patience and cheerful smile will be always in our books of memories.

BIBLE CLASSES

The two years of Bible study secured at Lipscomb have been a source of pleasure and profit. The Old and New Testaments, studied in the light of each other, have done much to enlighten us concerning God's Word.

One of the greatest factors regarding the development of our character has been in the form of our beloved teachers. Serving as Christian examples and presenting the truth in its simplicity, they have done much to instill into our lives the Spirit of Christ.

All seniors will especially cherish the association with S. P. Pittman, shown with a senior group. Will we ever forget his deep bass voice, his rolling r's and those memory passages that we thought so difficult? Charles R. Brewer with his funny faces and free nicknames will always linger as a bright spot in our college years. What's your nickname?

MISSION STUDY

Under the guidance of G. W. Kieffer, the Mission Study Class this year has steadily grown in interest and size until its present number exceeds forty.

Missionaries Reese (Africa), Benson (China), and

Herron (South Carolina) visited the class during the year and told of their work on their respective fields. Sons of missionaries enrolled in Lipscomb, Robert Brown, Harry and Logan Fox, gave interesting accounts of foreign life.

DEVOTION

Each night when dinner is over, melodious male voices fill Room Three of Elam Hall as some young men, boarding students, worship together. These services are conducted by various individuals selected beforehand from among the group. Similar devotions are held in Sewell Hall. Occasionally visitors address the devotional group. This year S. P. Pittman, Frank Pack, Willard Collins, and Robert Neil contributed splendid messages.

The devotions serve as a fitting climax to a busy school day.

THE ANNUAL LECTURES

C. M. PULLIAS

G. C. BREWER
Lubbock, Texas

This year two weeks of the Lipscomb calendar were set aside for a series of lectures on "The Church—Its Work and Worship." Under the direction of A. C. Pullias the series attained a high degree of success.

Prominent speakers from all over the nation were gathered together to give Nashville a spiritual feast. G. C. Brewer, speaking the first week on "Ologies" and "Isms," greatly strengthened the faith of his large audiences by exploding many popular beliefs of today. The second week brought C. M. Pullias, Longview, Texas, as the principal speaker. Mr. Pullias is a fine example of what God can do through His earth-

en vessels—men.

A. Hugh Clark climaxed the lecture program by stirring his audiences of young people with his practical lessons concerning evil temptations facing the youth of today. Tactfully, yet forcefully, he pointed out, in the light of the Scriptures, the only safe course to follow when a decision involving many of the modern entertainments and pastimes must be made.

KEEBLE

The greatest colored evangelist in the South, Marshall Keeble, gave a brief history of his work and made an earnest plea that the pure gospel be given to his people.

He has adopted the methods of the Master in his teaching, using simple language and illustrations peculiar to his race. This as well as his firm conviction in preaching the gospel fearlessly has accounted for the great numbers that he has led to God. He is shown illustrating one of his points to E. H. Ijams, president of David Lipscomb College.

ROUND TABLE

An added feature of the lecture program this year was the round table discussion. Each afternoon at two, under the direction of A. C. Pullias, problems confronting the minister were discussed.

J. P. Sanders, who assisted, is shown with a portion of one of the groups.

NIGHT CLASSES

This year another interesting feature of the lecture program was the evening classes. Since the five classes met twice each evening, every student was

permitted to attend two. The following courses were offered: Bible study methods, work of elders and deacons, sight-singing, mission study, and the Christian home.

Over four thousand attended the classes during the two weeks.

"What's the matter with the Bisons?" "They're all right," yell the thirty-odd Pepettes as they watch the team roll up this record-breaking score against Florence State Teachers College.

First Row: Sweatt, Tipps, Summers, Womack and Waters. Second Row: Nance, Deberry, Mitchell, Duncan, Locke and Riddick.

RUNNERS-UP IN MISSISSIPPI VALLEY CONFERENCE TOURNAMENT

The Bison Cagers of 1938-39 carved for themselves an imperishable record on the walls of Lipscomb's athletic history. More impressive than any other record set by a Lipscomb sports team in the school's history was this one compiled by the point-crazy Bisons as they literally ran over practically every Mississippi Valley opponent and won 18 of their 24 games. No team was able to defeat the Bisons twice.

There were many things that were outstanding in this season of thrills. The hustle and pep of these boys enabled them to intercept pass after pass. No fan could forget the sight of Womack, Mitchell, and Summers as they came down the floor on a fast break. When passing became too slow, the boys batted the ball back and forth, leaving opposing guards utterly bewildered. The zone defense, the "merry-go-round" play, out-of-bounds play, and other Nance innovations were a treat to behold. What justifiable pride Coach Nance must have felt as one of his players would work clear for a crip with no one within five feet!

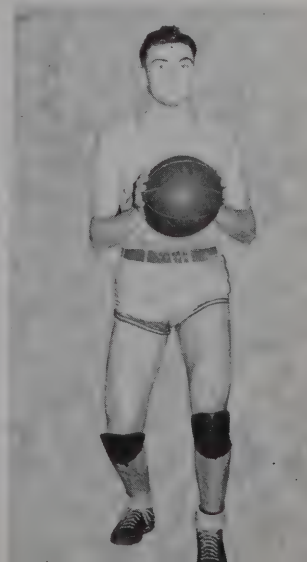

The most heated discussions of the season were caused by arguments over which player was best or most valuable to the team. Many leaned toward the center and forwards, Mitchell, Summers, and Womack. Many of Mitchell's shots were of the spectacular kind, one-hand push shots from either side or in front of the basket, and shots over his head, and from all angles they ripped the net-cords with deadly accuracy. Womack's long shots, and cripes by Summers were tossed in so often that they almost became commonplace. Probably the most accurate shot on the team was Locke, he and the other guards, Deberry and Tipps, saved many a game with uncanny guarding and ball-hawking. Benton Blount, Gray Duncan, Bill Sweatt, and Henry Dean Waters lived up to the adage that it takes good substitutes to make a winning squad.

Time after time Burton Gym was crowded with fans who enjoyed every minute of thrill-packed games and the Popette drills between halves. Play was almost stopped as the

spectators at the Vandy game began to stand on the playing floor. Although over a hundred miles from home, the Bisons had better support from the sidelines than any other team in the tournament. For the finals a special bus was chartered and filled by Lipscomb fans.

There is no doubt that the character of these boys was in a large measure responsible for their outstanding success. Every boy was a member of the Church and in harmony with the ideals of the school. This contributed to the unity that was such a vital factor in their achievement. It is only reasonable to believe that the spirit of Lipscomb and the support of the fans at Lipscomb gave them the added incentive and impetus that spurred them on to gain victories over several teams that they could not have defeated had they been only a group of individual stars, each playing for his own selfish end or for the grandstands.

Captain Mitchell, playing his second year as a Bison, proved both an inspirational leader and an outstanding performer. Having been converted into a center from a guard, Everette Lee had no trouble finding himself at this position and amassed 306 points for the season. His scoring record marked him as the best offensive man ever to play for the Bisons. His masterful playing in the tournament earned him a place on the All-Conference team.

THE

CHESTER WOMACK

Another senior, this goal shooting forward literally amazed the Vanderbilt gallery with his shots from a mile out. Always at his best when the going was hard, Chester rated the All-Conference team again this year. Scoring a total of 189 points in only sixteen games, Womack ended his Lipscomb career with a claim to a place on an all-time team.

ADAM DEBERRY

This boy who was seldom relieved performed nobly at guard. Choosing to guard rather than to score, Deberry still found time to amass 62 points. A freshman, Adam is the only regular to return next year.

GEORGE SUMMERS

Playing forward for the Bisons two years, George fitted perfectly into Nance's machine. His uncanny floor work and his ability to slap the ball in the hoop stamped him as one of the most colorful players ever to wear the Purple and Gold. He scored 189 points for the season.

LEON LOCKE

After getting a late start Locke became one of the most valuable men on the squad. His work in the Vanderbilt game was largely responsible for the Bison's win. Heady and hard to excite, Leon was the steadiest ball player on the team. He hit the net for 95 points.

THE

THE OPENER

Alumni at Home, November 26. The Bisons pried off the lid of the 1938-39 season by defeating the Alumni, 52-39. Mitchell and Womack paced the scorers with 16 and 12 points, respectively.

THE FIRST M. V. C. VICTIM

Martin College, at Pulaski, December 2. The Bisons turned in their initial Mississippi Valley win by beating the Pulaski boys in a dull combat, 37-23. The Bisons failed to get going, and their performance belied their ability shown later. Mitchell and Summers with 12 each did most of the scoring for the Herd.

WHAT A DEFENSE!

Bethel College, at McKenzie, December 8. The Bisons really got going against the Corporals as the Nance-coached men passed and shot their way to a 78-14 win. The tight zone defense stunted the Bethel boys to four field goals in the entire game. Mitchell and Womack again did the offensive damage, collecting 38 points between them. Summers, Tipps and Deberry really bottled up the Bethel offense.

RECONVINCING MARTIN

Martin College, at Home, December 10. Removing all doubt from the most pessimistic fans the Bisons did everything right in shellacking the Martin boys,

TEAM

HENRY DEAN WATERS

A substitute and a first-year player, Waters rarely got into the game except in the closing minutes. Playing at forward, he scored 11 points.

BILL SWEATT

This flashy Nashville boy was among the first reserves. His work against Cumberland at Lebanon almost ruined the Bulldogs. In this game the little ex-Mustang, hardly visible among Cumberland's giants, rang up 21 points in a little over three quarters. Bill's offensive work was good for 91 points.

ELDRIDGE TIPPS

Tipps, another steady ball player, always played a bang-up game at guard. Failing to hit his last year's stride, Eldridge found himself on the bench a good part of the time. Tournament time, however, saw him back at his regular starting position. Tipps disturbed the net for 51 points.

GRAY DUNCAN

This elongated reserve center was always ready to replace Mitchell, who seldom needed replacing. He, therefore, got few chances to really prove his ability. In the second Lambuth game Gray started in the place of the ailing Captain Mitchell and played like a veteran. He scored 48 points for the season.

RECORD

86-27. Every man on the squad scored. Womack, Sweatt, Summers, Mitchell, and Blount all scored up in the "teens" to lead the attack on the Martin goal.

LICKING FLORENCE

Florence State Teachers, January 6, at Florence, Alabama. The Christmas holidays didn't slow the Bisons up any as shown by their 68-32 victory over the Teachers. Womack topped the scoring with 18 points, and Mitchell followed close behind with 17.

TOO MUCH COMMODORES

Vanderbilt, at Home, January 11. Pinky Lipscomb, an ex-Lipscomb High star and All-Southeastern forward, was too much for the Bisons in this game as the Commodores defeated the Herd, 42-31. The Vanderbilt boys stopped everybody but Mitchell, who scored 16 points. All of the Nance-men played good games, but they just couldn't get going in time to head off the Commodores. The gym was jammed to the rafters and scores of people were turned away.

BEATING THE CORPORALS AGAIN

Bethel College, at Home, January 14. The Bisons got back down to their business of winning ball games and whipped the Corporals for the second time by the score of 57-42. Mitchell, high scoring center, led the scoring with 23 tallies.

Talking things over in the Bethel game; And the Commodores bite the dust; Pinkey slips in another one for Vanderbilt; Austin Peay is baffled by the Bison attack; The beginning of the fast break against Freed-Hardeman; Mitchell sinks a goal in a futile effort against Sunflower.

WOW! WHAT A SCORE!

Florence State Teachers, at Home, January 18. Those point-crazy Bisons made their third all-time scoring record during the season by defeating the Florence Teachers, 102-26. Womack and Mitchell lacked one point of tallying 50 points between them to lead the scorers. For the spectators it was a thrilling game. Anxious to see the 100-mark broken, the entire crowd stood and cheered like mad in the closing minutes.

KNOCKING OVER THE EAGLES

Lambuth College, at Jackson, January 20. Journeying down to Jackson, the Bisons found stern opposition in defeating the Eagles 44-34 in a thrilling game. Mitchell and Womack again paced the scorers, scoring 16 points each.

DOWN GO THE VOLS

U. T. Junior Vols, at Martin, January 21. Moving over to Martin the Bisons defeated the baby Vols, 47-27. Taking a commanding lead at the beginning of the game, the Herd never let up. The big three, Mitchell, Summers, and Womack again led the Lipscomb attack on the net. Coach Nance rated this as the best played game of the season. The second quarter was a near marvel in defense and offense, the Bisons running an 8-4 score to a 23-6 count at the half.

VANDERBILT FALLS, TOO

Vanderbilt, at Vanderbilt, January 24. Led by a goal-shooting demon in Chester Womack, the Bisons proved that they were one of the state's best teams in defeating the best Vanderbilt team in ten years by a 40-31 count. Revenge was doubly sweet for the Herd in outclassing the Commodores in the latter's own backyard. Womack threw in 15 points to pace the Bison scoring. Leon Locke played a bang-up game at guard and was largely responsible for holding the high scoring Commodores to such a low total. The Bisons did not play above their heads in tumbling the Southern Confer-

ence foe (No Mississippi Valley team had ever turned the trick before), and finished the last half with Mitchell out of the line-up.

MITCHELL GETS HOT

Middle Tennessee Teachers, at Home, January 28. The Murfreesboro boys, led by an ex-Bison captain, Dabo Phillips, were no match for the point-making Herd. Lipscomb jumped off to a 20-4 lead in the first quarter and held to the finish of the game, winning, 66-53. Mitchell, who scored 24 points, was the best for the Bisons. Though winning, it was a costly victory. This was the last time for a period of six games that all regulars were in uniform.

THE BISONS HIT A SNAG

Austin Peay, at Clarksville, February 2. Going down to Clarksville, the Bisons met their second setback of the season in bowing to the Governors, 37-52. Womack was the only Lipscomb man effective under the basket, dropping in 14 points. Summers was out with a sprained ankle and two other players were ill.

CRIPPLED BISONS FALL AGAIN

Lambuth, at Home, February 4. With three subs in the lineup, the Bisons lost their second consecutive game, 30-40. The Eagles, playing superb ball, took over the lead in the second half and held on to it the rest of the game. Sweatt and Locke put up a great but futile fight. Tippos, playing in a new role as forward, turned in a good game.

TAMING THE BULLDOGS

Cumberland, at Home, February 12. With Summers and Mitchell back in the lineup, the Bisons showed old time form in downing the Bulldogs, 52-42. Trailing seven points with a quarter to go, Summers and Mitchell got down to business and sent the Bisons out in front. Locke played a good defensive game while Summers and Mitchell handled the scoring duties, collecting 31 points between them.

Record crowd watch opening tip in first V. U. game; The Pepettes promenade at the half of the Lambuth game; Womack and Brock go up for the tip in the second Freed-Hardeman game; Bethel watches Womack slip in another goal; Lambuth goes down before the Bisons' attack in the semi-finals; Tipps and Mitchell harass Conwell in the Cumberland game; Deberry shoots at one from afar out against Bethel at Jackson.

SWEET REVENGE

Austin Peay, at Home, February 16. Again it was Summers and Mitchell who personally led the Herd to a 39-28 win over the Austin Peay boys. It was a well deserved win and sweet revenge for the locals. This was the best-played home game of the year. Deberry gave a great defensive exhibition, allowing the Governors practically no follow-shots.

THE SECOND VICTORY OVER THE VOLS

U. T. Junior Vols, at Home, February 18. The Herd, led by Mitchell, who scored 18 points, ran over the Vols for the second time this season. All of the Bisons played good games for almost two quarters. With the score 25-6, Nance's men slumped and the Junior Vols threatened to overtake them.

THE BULLDOGS GROWL BACK

Cumberland, at Lebanon, February 21. Up at Lebanon the Bulldogs spanked the Bisons, 40-42, in a thrilling game. Led by substitute Bill Sweatt, who scored 21 points, the Bisons were in the game all the way, only to be nosed out in the very last minute. Besides Sweatt, Mitchell and Summers played good games, accounting for 16 points between them.

MURFREESBORO BEAT AGAIN

State Teachers, at Murfreesboro, February 23. Lipscomb regained its pre-injury form in shellacking the Teachers, 37-21. Mitchell and Summers again led the attack for the Bisons. The Bisons did not allow their opponents a point in the third quarter.

BOWING TO THE LIONS

Freed-Hardeman, at Henderson, February 25. Losing an early lead, the Bisons succumbed in an extra period play off to the Lions. The Bisons owned a 25-19 advantage at the half. Mitchell with 14 points and Womack with 13 points led the Lipscomb scorers.

BEATING THE LIONS

Freed-Hardeman, at Home, March 1. Refusing to let any team beat them more than once, the Bisons jumped on the Lions and beat them, 52-32. Womack, Mitchell, and Summers were the big guns for Lipscomb in the last home game. The Freed-Hardeman boys were the guests of a party in their honor after the game, with the Bisons and the Pepettes as hosts.

M. V. C. TOURNAMENT AT JACKSON MARCH 6-7

BETHEL FALLS

Lipscomb, top seeded in the Valley tourney, rolled over the improved Bethel team, 71-39, in the opening round. The Bisons' high-scoring machine was the talk of the early rounds of the tournament. Every man on the squad played, and every man scored. Womack, Mitchell, Summers, and Deberry were the scoring stars.

LAMBUTH GOES DOWN

Moving into the second round the Bisons met the fourth-seeded Lambuth team and proceeded to beat them, 53-34. Beautiful team passing and superb ball handling shot the score skyward in the second and third quarters. The Bisons held the ball most of the closing period.

THE FINALS

Playing in the finals, the Bisons encountered the classy Sunflower team from Mississippi. After holding a lead for most of the first quarter, the Herd suddenly slumped. Midway of the third quarter they trailed, 14-29. Then came an amazing show of fight which set the Sunflower boys back on their heels—7 points in the last two minutes cut the margin to 3 points. Had the game been a minute or two longer the Bisons would probably have won.

THE BISONS ON THE DIAMOND

Combining new material with seven returning lettermen, Coach Neil developed one of the best baseball squads in recent years. Hustle and heads-up types of ball characterized the Bison team throughout the season.

Opening the season, April 8, with the strong Western Kentucky Teachers at Bowling Green, the Bisons suffered a 11-3 loss. Snodgrass homered and batted in two runs to star for the Bisons.

The high spot of the season was the five-day jaunt, April 13-17, through Tennessee, Mississippi, and Arkansas. Stopping over at Senatobia, Mississippi, the Herd bunched ten hits to get nine runs and defeated the Northwest Juniors 9-7. Locke, Sweatt, and Geer connected two hits each to lead the day's hitting. Journeying over to Morehead, Mississippi, the Bisons dropped a 7-0 decision to Sunflower. Sidwell and Snodgrass accounted for the Herd's only two

hits. At Harding, the boys were again beaten, this time to the tune of 7-5. Sweatt and Smith with two hits each paced the batters. Summers and Locke knocked a couple out of the lot for home runs. On the way back the Herd encountered Lambuth and defeated them, 9-5. Sweatt, with three hits again paced the batters.

Coming back home, the Bisons rested until April 20 and defeated Austin Peay, 8-0, on that day. Little Woodrow Riddick struck out nine men and had the Governors eating out of his hand all afternoon. Sweatt, Smith, Geer, and Harwell hit for extra bases.

Playing the return game with Austin Peay on April 29, the Herd eked out a 5-4 win. Riddick again was credited with the victory. Locke got three for four to lead the hitting.

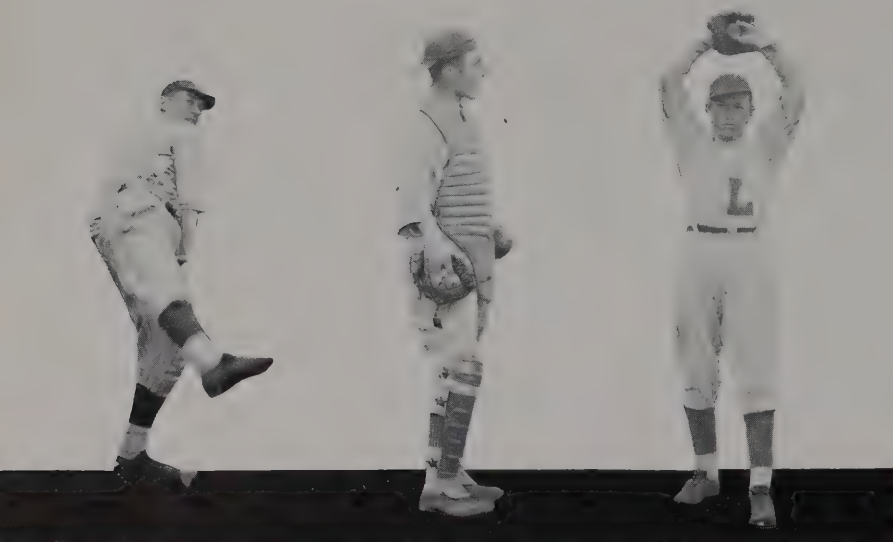

The highly rated teacher team from Murfreesboro was the next victim. The Bisons beat them 2-1 on May 2 in a thrilling game.

The first loss on the local diamond was administered by the T.P.I. team of Cookeville on May 4. The Bisons out hit the Eagles but allowed 13 men to die on base.

As this goes to press, the all important two games with Bethel are still on dock as well as return games with, Lambuth, T.P.I. and Murfreesboro.

OUTFIELDERS—

CHARLES GEER, Left Field: Throws right but bats from the left. Geer is fast and possesses a good throwing arm. His hits are usually good for extra bases. He has lettered two years.

GEORGE SUMMERS, Center Field: Throws and bats from the right. He is a fast fielder and a good hitter. Summers has lettered two years.

JOHN SMITH, Left Field: Throws right and bats left. John is a hard-hitting outfielder and was one of the few new men to break into the Bison line-up. He possesses a good throwing arm and is exceptionally fast.

INFIELDERS—

MILTON SIDWELL, First Base: Bats and throws left. He possesses a good batting eye and is a great fielder. Sidwell is one of the most valuable men on the squad. He has lettered three years.

BISON NETTERS BEST TENNIS TEAM IN LIPSCOMB'S HISTORY

THE BISONS

The Bison tennis team, composed of five freshmen, three of which had never played interscholastic tennis before, romped through their Mississippi Valley opponents failing to defeat only Lambuth. Hawkins and Gates, two newcomers, showed ability by winning the majority of their matches. Gates and Little teamed to form the most formidable doubles team in the M. V. C. Some of the season's results are: Bisons 2, Lambuth 4; Bisons 4, Bethel 3; Bisons 6, U. T. Juniors 1; Bisons 4, Florence 3; Bisons 4, Middle Tennessee 3.

THE MUSTANGS

With Hembree, the Scobey's, Youree, and Horn returning, the Mustang tennis team broke even in their interscholastic matches this year. John Sewell, who did not play last year battled his way to become the third best on the team before the season was over. Hembree turned in several fine performances against the City's foremost Junior players. Scobey's play in the doubles was spectacular. The results of some of the matches are: Mustangs 1, West 6; Mustangs 0, M. B. A. 7; Mustangs 3, Central 2; Mustangs 6, Litton 1.

THE PEPETTES

GIRLS WIN APPLAUSE WITH FANCY FLOOR DRILL AT EACH CAGE GAME

In their eye-catching uniforms of white, purple, and gold, the Pepettes present a pleasing sight to all basketball fans. This group, elected on the basis of pep, personality, scholarship, and character, represents the highest type of Lipscomb girlhood.

Under the able leadership of Dot Carl as captain, assisted by Misses Glass and Bell as sponsors, the Pepettes completed a very successful season. Betty Gregory and Jean Shields returned as cheerleaders and were aided by Schumann Brewer and Warren Casey. Veranne Hall served her second year as mascot.

Marching at the half and cheering during the games, the girls drilled for the home basketball games and accompanied the team to Cumberland and State Teachers College. The final game of the season was climaxed with a reception in honor of the Freed-Hardeman team.

HEMBREE GETS PASS

The Mustang aerial attacks baffled their opponents all year. Above, Paul Hembree, who usually throws the passes, is seen snagging a pass from Morrow in the White Bluff game.

THE MUSTANGS

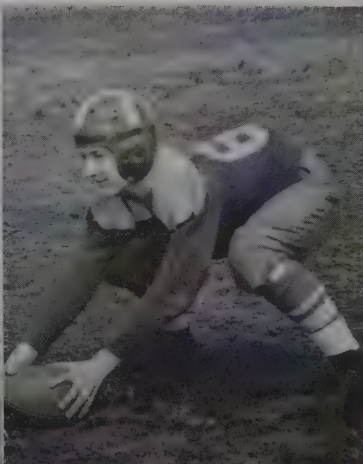

The Lipscomb High Mustangs plodded through a bleak season this year during which they gained only a tie in nine combats. The Ponies displayed spirit in almost every game, but just didn't seem to have a winning combination. Playing their best game of the season at the very outset, the Ponies grew worse as the season progressed. Only a break allowed Smyrna to tie them, 13-13, in the fading minutes. Hume-Fogg with a much stronger team ran over the stubborn Ponies, 12-0. Then followed successive setbacks by Duncan, Wallace, Cumberland, Bellevue, and White Bluff.

The Mustangs played a brand of football even in losing that was easy to watch. Coach Nance taught his boys tricky passes and plays which, at times, embarrassed much stronger teams no end. In fact Nance had the Mustangs doing everything with the pigskin except shooting baskets.

Concerning the boys we remember: Little Joe Ijams, a real Mustang if there ever was one, fighting and keeping the spirit of his teammates up. . . . Paul

IN FOOTBALL

Hembree, an excellent passer who had to get them off in a hurry. . . . Captain Edd Eslick, who played an all-round game and aided in keeping the team together . . . clowning Hunter Whittaker, who could really snag passes and seldom let the opposition around his end.

Billy McMurry's spirit . . . Donald Brown Srygley's steady improvement during the season . . . Maxwell Smith's bloody nose . . . Chinky Brewer and his all-round play, . . . Joe Morrow's bull-like line-rushing and kicking. Joe was the hardest fighter on the squad and probably could have rated an All-City berth had he been on a winning eleven . . . Collier's speed.

Harper's form . . . Pierce's play at end . . . Hooper's play at guard and his making regular after three years of bench riding. . . . The spirit of the boys like Horn, Vigdorth, Fox, Brown, and Elrod, who stayed out and took the bumps just like the others.

Season's results: Lipscomb 13, Smyrna 13; Lipscomb 0, Hume Fogg 12; Lipscomb 6, Duncan 31; Lipscomb 0, Cumberland 21; Lipscomb 7, Wallace, 32; Lipscomb 0, Bellevue 20; Lipscomb 0, White Bluff 18.

THE MUSTANGS ON

Led by one pint-size individual, David Scobey, the Mustangs agreeably surprised the local fans by turning up with a team that paced the interscholastic league before the Christmas holidays.

Coach Bob Neil took a group composed mostly of freshmen and sophomores and moulded a hard-fighting, well-working combine out of them before the season was over.

Winning their warm-up games in stride the Mustangs then proceeded to beat East in a thrilling game, 49-46. David Scobey, who was the loudest noise the Mustangs had all season, got especially hot in this game. He bothered the net for 25 points to set a new Mustang individual scoring record.

Coming back after Christmas, the Mustangs' in-and-out brand of ball was not good enough to keep them

INTRAMURALS FOR EVERY STUDENT

SOFTBALL AND TENNIS

Softball opened the extensive Lipscomb intramural program last fall. Six teams composed the boys' division, while the girl's division had four. The Tigers, captained by Mitchell, won the boys' division, winning five and losing none. The team captained by Jean Shields was the winner of the girls' league.

The fall tennis tournament was won by Jean Burton and Claude Boyce, after surviving some very keen competition.

TOUCH-FOOTBALL

Six teams composed the fall touch-football tournament, namely, the Hustlers, captained by Logue; Hurricanes, captained by Hawkins; Crimson Tide, captained by Norton; Trojans, captained by McCormack; and Tornadoes, captained by Geer. The game that decided the championship was between the Crimson Tide and the Tornadoes. The final score was Crimson Tide 13, Tornadoes 7.

VOLLEYBALL

Volleyball began the winter intramural program for both boys and girls. In the boys' league the team captained by John Shirley ended up with first place honors. Four teams made up the circuit. In the girl's league, the Reds captained by Dot Grizzell won first place. Captains of other girls' volleyball teams were Black, Walker, and Evans.

BASKETBALL

Basketball took the spotlight during the winter. An "A" and "B" league composed the boys' group. Four teams were entered in each league. In the "A"

Norton's Crimson Tide; Intramural Tennis Champs; Fall Softball Champs; Grizzell's Volleyball Champs; A Base Knock; Captains Galore; This just doesn't happen; Shirley's "B Leaguers"; Perry cracks down on one.

INTRAMURALS FOR EVERY STUDENT

league the Orange team captained by Snodgrass was winner of first place. To determine the championship a playoff was necessary between the Orange team and the Whites, captained by Grimes. Paul Shirley's Orange team captured honors in the "B" league.

Six teams made up the girls' group. A double round-robin was played in which Maxine Grimes' team came out on top. Captains of other girls' basketball teams included, Sparks, Giles, Burton, Sherbert, and Killgore. Another round-robin tourney was played during the winter with Helen McCain's team ending up on top.

The outstanding intramural event of the year was the annual track and field meet held in May. The senior boys were victorious over the freshmen, 51 to 39. The freshmen girls routed the senior coeds, 55 to 8.

In the high school division the seniors edged out a win with 39 points; but were closely pressed by the Juniors with 37 points. The sophs amassed only 7. The soph girls ran away with their division outscoring their nearest competitors, the frosh, by 17 points.

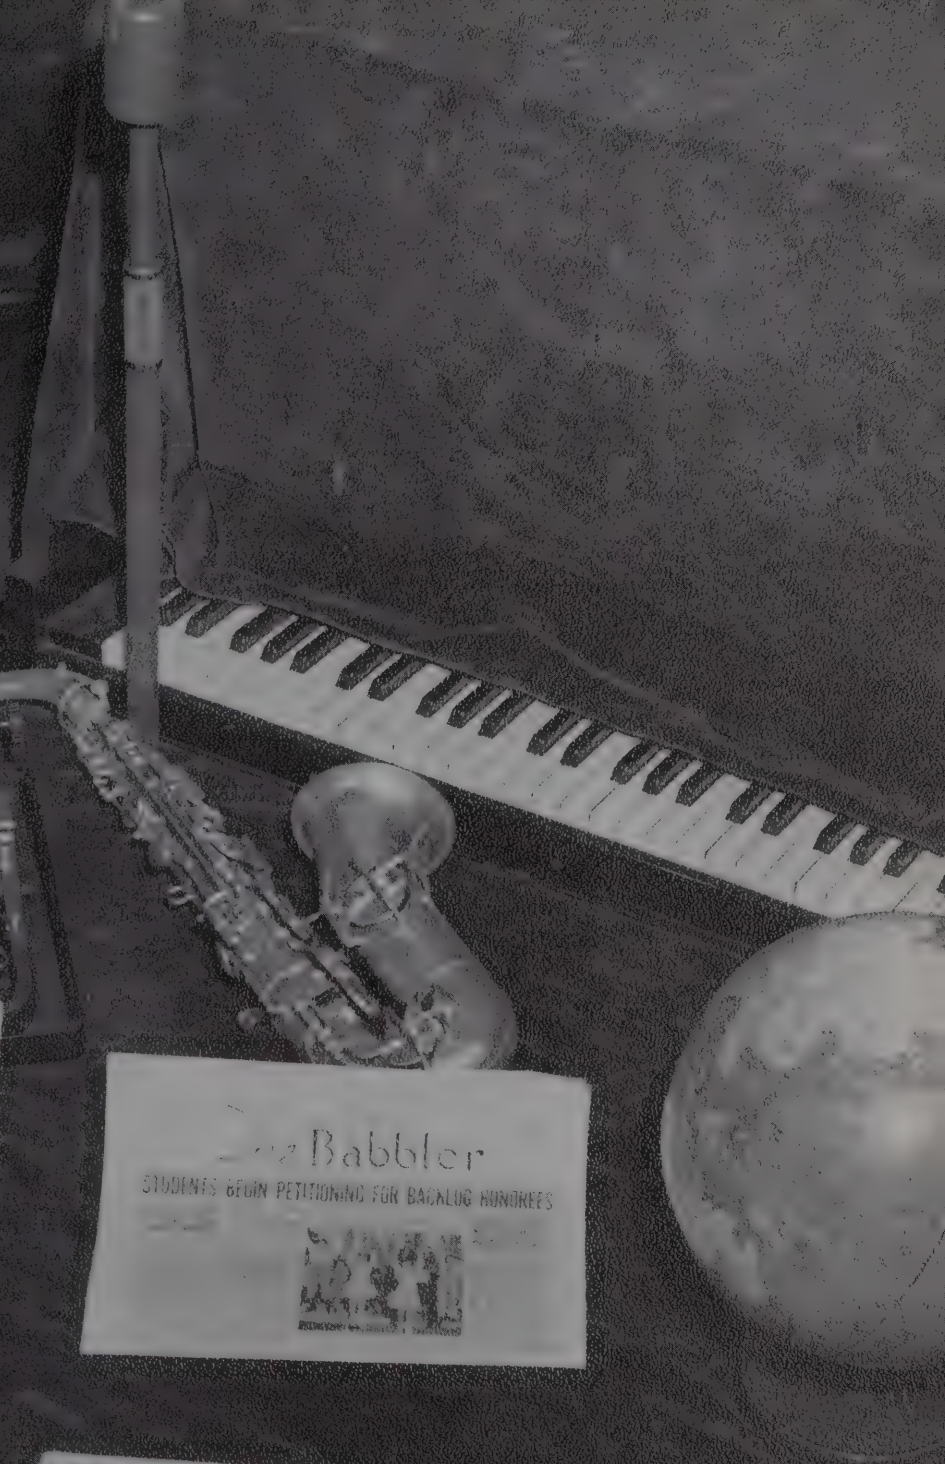

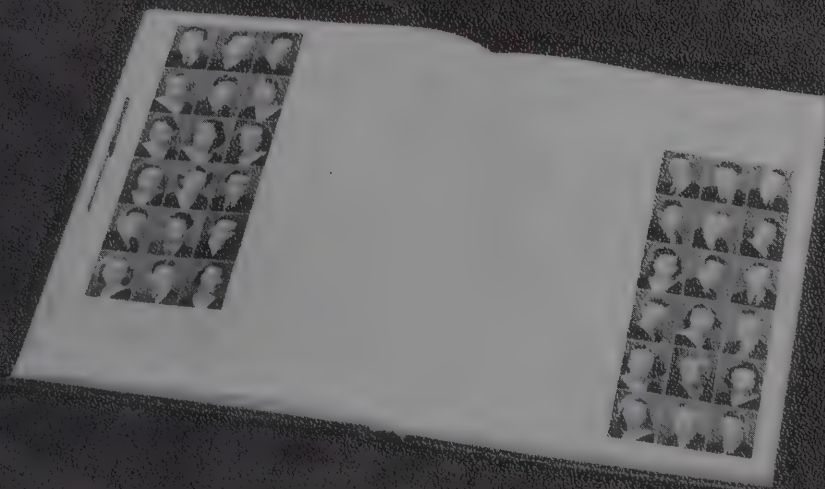

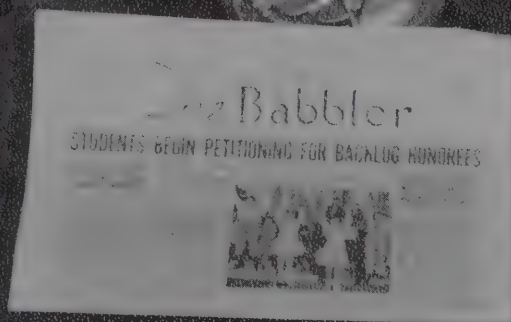

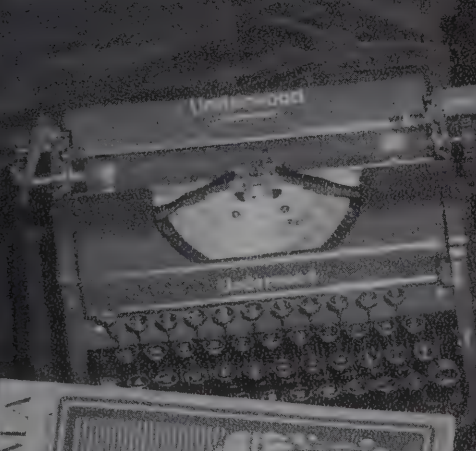

Individual scoring honors in the college went to Billy Mullican, senior, with 17 points picked up with two firsts, two seconds, and one third. He set the best record of the day in breezing through the century in less than 10 seconds. He was closely followed by his brother, Tommy, representing the freshmen. Chick Morris paced the college girls, Paul Hembree the high school boys, and Jean Burton the high school girls.

Some of the leading contenders for the medals and letters given to the ten boys and girls finishing with the highest number of points are: Girls' division, Margarette Griffin, Jean Burton, Maxine Grimes, Catherine Tate, Chick Morris, and Marjorie Sparks; Boys' division, John Shirley, Warren Casey, James Snodgrass, Paul Shirley, and Billy Mullican.

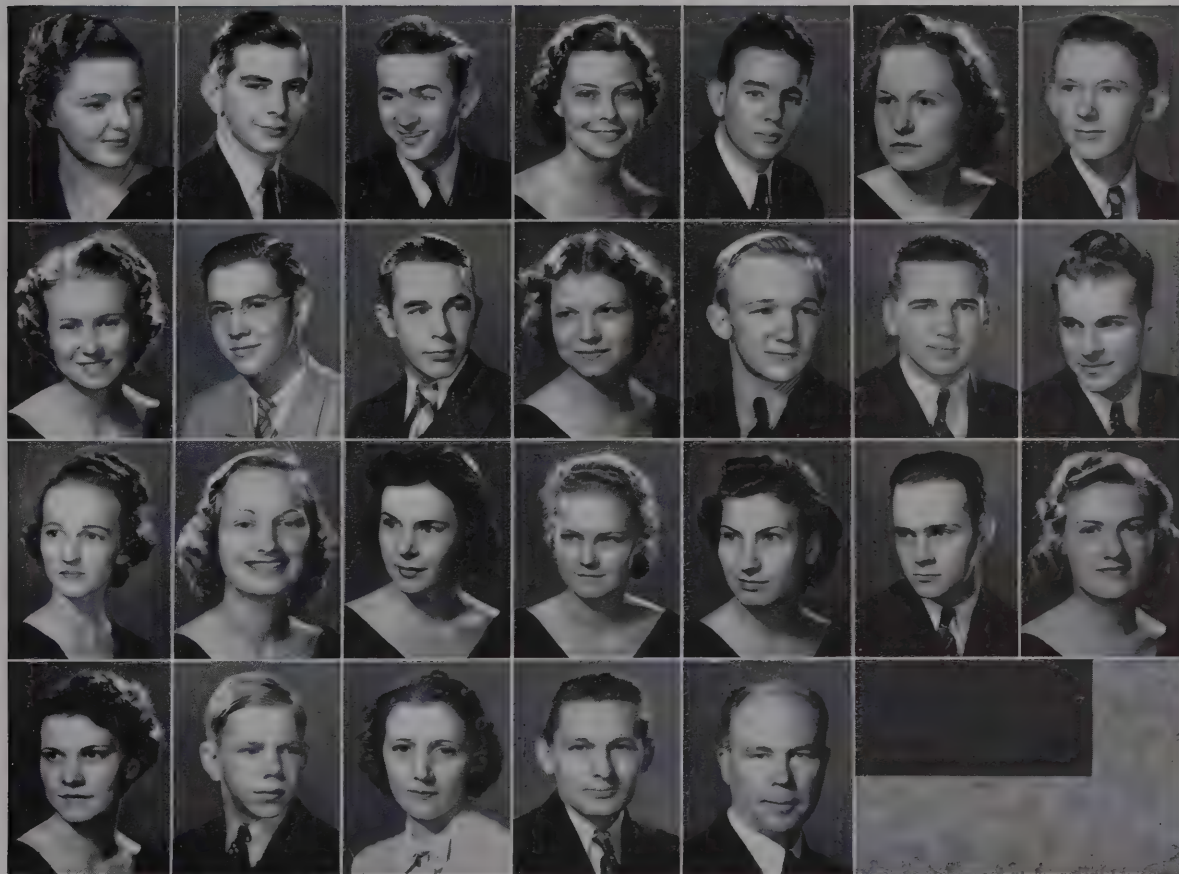

Helen McCain's volleyball team. Shirley wins the mile; Sidwell does a roll; Burton takes two honors; two girls tumble; Pierce wins high school high jump; Mullican takes another first; the greatest of all campus sports, campusology.

FOUNDERS' DAY ORATORS

The birthday of David Lipscomb, one of the founders of the college, is commemorated each year on January twenty-first by students and faculty. On the evening of this memorable day six orators, who have been chosen by elimination compete for the Founder's Day medal.

The contest was won by Charles Chumley, Denver, Colorado, speaking on "The Power of Radio." Others in the contest and their subjects were: Bennie Lee Fudge, Athens, Alabama, "Threat to the Home"; Paul Herndon, Springfield, "On Looking Backward"; Ben Holt, Shelbyville, "Whitened Fields"; Ted Underwood, Birmingham, Alabama, "Christian Education"; John Dillingham, Nashville, whose picture does not appear spoke on "Cordell Hull and the Good Neighbor Policy." Ben Holt placed second.

THE WINNER!

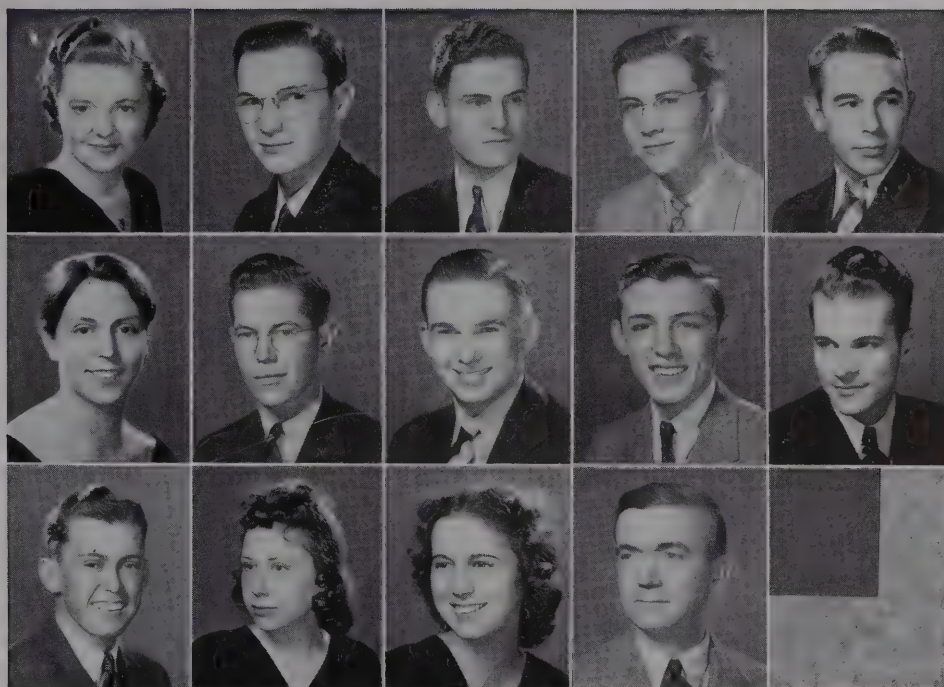

The key thought in Mr. Chumley's speech emphasized that only when radio is used as a force for good, not for propaganda, will it have reached its highest peak in the service of mankind.

Others in the try out included Bascom Litton, Nashville; Cecil Perryman, Italy, Texas; Maurice Hall, Ruston, Louisiana; B. B. Harding, Murfreesboro, and Willie Lemons, Nashville.

DEBATE CLUB

The Debate Club was coached this year by Mr. Boyce and Mr. Walker. The teams met Cumberland University and Murfreesboro State Teachers College twice. Two teams, one negative and one affirmative, went to the Volunteer Tournament at Jackson, Tennessee. Competing out of their class against four-year universities, the debate team showed up very well.

The question for debate this year was "Resolved: That the United States should cease the use of public funds (including credit) for the purpose of stimulating business."

LIBRARY CLUB

The Library Club is composed of all student librarians and all other students who are interested in gaining a more complete knowledge of library tools and technique. The club has devoted its meetings this year to reviews of recent books of fiction and biography, since it was felt that students so often neglect this part of their education.

I. R. CLUB

PURPOSE: To create an interest in foreign affairs among the students. To do this, the club met bi-monthly, and with the faculty sponsor, Dean Parks, discussed problems of world-wide interest. The wholesome discussion of these vital problems has given the members a clearer view of the complexities of our war-torn world. Through the Carnegie Endowment for International Peace, which encourages such clubs in most of the colleges and universities of the nation, nearly one hundred books of the study of international affairs have been secured and presented to the library for public use.

THE RADIO STAFF

The objective of the Radio Staff is to present to the public a cross section of the ideals, aims, and work of David Lipscomb College, and at the same time to give to its members actual experience in broadcasting.

Andy T. Ritchie, Jr., Lipscomb alumnus, serves as director, assisted by Robert G. Neil and Leonidas T. Holland. Mr. Neil directs "chapel singing" and the Men's Glee Club; Mr. Holland appears as soloist and accompanist. Regular performances include the quartet, the Lipscomb Radio Choristers, Ellen Williams, Mildred Caldwell, Ben Holt, BABBLER reporter, and "chapel singing" heard at intervals.

ORGANIZATIONS

Williams, Moore, James, Harwell, Baker

THE LIPSCOMB QUARTET

The student quartet was organized early in the school year, three of its members remaining from the previous term. With Frank Thomann, as the new basso, joining Erle T. Moore, first tenor; Wayland James, second tenor; James Harwell, baritone; and Miss Ellen Williams, accompanist, the quartet was early acclaimed as one of the best in Lipscomb's history.

Frank Thomann withdrew from school during the winter quarter and was replaced by Jack Baker.

Concert appearances were made in Tennessee, Kentucky, and Alabama. They were presented as a regular feature on the weekly radio program from Lipscomb.

O R G A N I Z A T I O N S

MEN'S GLEE CLUB

The twenty-six members of the Men's Glee Club feel that their concert and informal appearances during the term have provided pleasures and opportunities available in few other organizations. Boys of both high school and college met at early morning and late afternoon rehearsal periods to master compositions of the immortals.

The club, which was occasionally featured on the weekly broadcasts and at chapel assembly, was heard in concert both in Nashville and other leading towns in Middle Tennessee.

To Mr. Robert G. Neil, director, Miss Ellen Williams, accompanist, Mr. Andy T. Ritchie, Jr., bass-baritone, Mrs. Dorothy Pittman Cooper, pianist, Mr. Charles R. Brewer, reader, and the quartet, the club is greatly indebted for their valuable assistance during the season.

George Pepperdine College

A four-year, fully accredited college; devoted
to the cause of Higher Education under
Fundamental Christian Leadership

Our Great Objective . . .

In dedicating this college in September, 1937, the founder, Mr. George Pepperdine, stated the two-fold objective of the institution as follows:

- 1—"Adequate preparation for a life of usefulness in this competitive world."
- 2—"A foundation of Christian character and faith which will survive the storms of life."

Every member of the faculty in the college, every course of study in the catalog, every lecture in the classrooms, every experiment in the laboratories, every form of recreation and competitive sport in the gymnasium and on the playground—all these have been provided to combine, with the religious and moral atmosphere of the school, the facilities through which this splendid two-fold purpose can be attained.

The enthusiastic response of people generally has greatly encouraged us.

A Safe Place for Young People . . .

Christian parents who send their sons and daughters to this college entrust to us their most precious possessions. The welfare of these young people is a serious consideration with us. Each member of our faculty must be thoroughly Christian, not only in name, but in personal life, and must have a sincere desire to instill the spirit of Christ into the heart of every student. It is the purpose of this college to give young people standard academic instruction in complete college courses in the Liberal Arts, the Sciences, Business Administration, and Home Economics, without exposing the students to the subversive teachings of infidelity or materialism. We plan that their Christian faith shall be strengthened and deepened while they are in college.

Absolute essentials of life as advocated in this college are: Faith in God, strong Christian character, American patriotism, preparation for life's work, and an urge to serve humanity.
